---

## SUMMARY

Enthusiastic Full Stack Developer with internship experience at Yashvitech, contributing to real-world web projects. Skilled in HTML, CSS, JavaScript, React.js, and Python, with a solid grasp of full stack development. Passionate about building scalable applications, writing clean code, and continuously learning new technologies.

---

## WORK EXPERIENCE

Intern at Yashvitech IT Solution Pvt. Ltd. Raipur

Dec 2024 - Present

### Gym Management System | React, Django

Developed a full-featured Gym Management System using React and Django, incorporating member registration, real-time attendance tracking, subscription management, and trainer allocation—streamlining daily operations and enhancing user experience.

### Matrimony & Community Site | React, Django

Built a unified Matrimony and Social Community platform using React and Django, featuring profile creation, partner matching, biodata sharing, event updates, announcements, and community interaction—streamlining matchmaking and enhancing cultural engagement in one application.

### DDC Consultancy System –

Built using React and Django, this system includes features like attendance tracking, career management, salary handling, and real-time notifications. It is designed to streamline internal operations and enhance employee transparency and engagement.

---
