- Deployment & DevOps:**
 - Hostinger (Shared Hosting), Render (PaaS)
 - Basic experience with Docker containerization
- Cloud & Media Services :**
 - Cloudinary (for image uploads and optimization)

LANGUAGES

- English
- Hindi

WORK EXPERIENCE

Intern at Yashvitech IT Solution DEC 2024 - MAY 2025

Gym Management System

- Built a full-featured Gym Management System that streamlined daily operations through features like member registration, real-time attendance tracking, subscription management, and trainer allocation. The application was developed using React for the frontend and Django for the backend, ensuring a responsive user interface and robust backend logic.

Matrimony & Community Platform

- Developed a unified matrimony and social community platform using React and Django, enabling profile creation, partner matching, biodata sharing, event announcements, and cultural engagement—delivering a seamless matchmaking and community experience.

DDC Consultancy System

- Built an internal consultancy management system using React and Django, featuring attendance tracking, career progression, salary management, and notifications to streamline operations and improve employee engagement.

Soni Blissful Events

- Built a dynamic catalog module using React, Ant Design, and Django, with image upload, form validation, and backend integration. The platform is being developed in phases, with full event management features planned for the next release.

Service

- Developed a service booking and management platform for a local business using React and Django. The app enables users to browse services, book appointments, and receive real-time updates—designed to streamline daily operations for small service providers.

DocVault – Personal Document Manager

- Developed a secure document management system using React and Django, enabling users to upload, categorize, and manage personal documents with JWT authentication and file storage handled via the backend.

EDUCATION

Bachelor of Computer Applications (BCA)

Science College, Raipur – 2020 – 2023

Higher Secondary (12th), PCM

Hindu High School, Raipur – 2020
